

We are thrilled to announce that we surpassed our 100K goal for the matching campaign! Thank you to the J.T. Clark Family Foundation for challenging us to this all-or-nothing matching campaign. It was an amazing catalyst to motivate donors by doubling their impact and drive awareness of our supportive housing project for youth ages 19 to 25.

Since August 12th, we've raised \$808,326!

Thank you from the bottom of our hearts to everyone who donated. Your gift is helping us stay on track to open this housing resource in summer 2025! Together, we are ensuring youth experiencing homelessness get the support they urgently need.
